All orders will be selected as they arrive, and bulbs will be true to name as far as we can possibly know them. Should a wrong variety be sent, it will be replaced, if at all possible, the following season. Every effort is made to keep stocks true.

Postage paid on all orders over 20/-. Small orders must carry 9d. per dozen extra for postage in Victoria, 1/3 per dozen outside.

Collections for Garden or Exhibition can be arranged for. Ask for prices for quantities.

Mixed Sorts, from 10/- per 100.

Corms, full size, are 1 inch and over in diameter.

If you want to be on top of the Glad. world, get your bulbs from a noted grower and leading prize-winner. Advice on all points is available. Correspondence invited.

The best in bulbs gives most satisfaction.

You are welcome to call and see Glads. in bloom, and all information is free for the asking.

This season's corms are in very fine condition, and customers can rely on getting good, clean, healthy stocks.

Thank you for past favors, and hope to more than satisfy our future patrons.

All descriptions are as near as we can get to them. Colors in some varieties are so glorious, that they are almost beyond description.
